

### Division puzzles

1. Pair the numbers below so that the **difference** between each number in the pair is divisible by 7.

	78	87	46
	37		
58		98	28
	45		
	18		64

Pair of numbers	Difference	Division calculation

2. Use each of the digits below once to make a division calculation with the answer 349.

0	2	4	6	9
---	---	---	---	---
