

Measuring

6.10

Objective

- Practise using a calendar

Resources

- Y5 SVR 6.10
- Whiteboards and pens

Activities

- Display Starter visual resource sheet 6.10.
- Ask questions, for example:
 - How many days are there in May?*
 - On which date is the first Saturday in May?*
 - What day is 8 May?*
 - How many Tuesdays are there in May?*
 - How many Fridays are there in May?*
 - What is the date of the second Monday?*
 - What day is 1 June?*
- Children write the answer to each question on their whiteboards.
- Check the answers and clarify any misconceptions.

Language and vocabulary

Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, date, calendar, month

Calendar for May
